Information for Professional Advisors

Who We Are

We are an independent, community-based organization focused on philanthropy, grants, and building community wealth.

To meet long-term needs, we hold endowments for agencies and invest donations for the future. To meet immediate needs, each year the income we make on our investments is disbursed to charitable organizations.

What we offer donors

- Donor advised funds
- Processing gifts of securities and other assets
- Stewardship of gifts intended for specific purposes, organizations, or fields of interest
- A Giving Hub which details the current, emerging needs of non-profits in our region

Gifts we accept

- Cash
- Cheque
- Securities
- Life insurance policy
- Land and/or property
- Private company shares
- Inventory of other unique gifts

Think of the Community Foundation as the community savings account.

Building community wealth.
