

Eligibility Requirements:

- 25 years of age or younger
- has received support and services at the Sheldon Kennedy Centre of Excellence anytime between October 2023-present at Recovery Alberta Step-Up Step-Down, Lindsey More Youth Mental Health and Addictions Hub, Sendero (formerly known as the Central Alberta Sexual Assault Centre), Recovery Alberta Move Your Mood, and/or the Truant Family Medical Suite. Eligibility also applies to applicants who have received support and services from any of the above organizations prior to October 2023, and who are currently involved in outpatient programs, volunteering at SKCOE, or involved in other SKCOE programs.
- has received support and services at the Central Alberta Child Advocacy Centre anytime between December 2017-present.
- has signed the consent form and will attend an information session to discuss and/or receive assistance applying for the scholarship and connecting with Student Supports Teams from local post-secondary and trades schools.
- Applicants must plan to or are enrolled in post-secondary school, technical institute, or trade school.

Consent Statement

I, \_\_\_\_\_, hereby give my consent to the scholarship committee to contact and confirm any supports or services I have received from the organization listed on this application. I also authorize the scholarship advocate to connect with me during the school year for the purpose of providing ongoing support related to my academic and personal success.

I understand that this information will be kept confidential and used solely to support my scholarship application and well-being during the academic year.
